

## EXCITING DAY 30 YEARS AGO

Yesterday Anniversary of City's Greatest Tragedy, Which Claimed Lives of 4 Citizens—Killed by Bandits

The Douglas International of last evening called the attention of old timers to the anniversary of a thrilling day in the history of Bisbee, as follows:

Oldtimers will remember that thirty years ago today marked Bisbee as passing through one of the greatest human tragedies that comes to any city in the way of crime. On December 8, 1883, bandits entered the city of Bisbee and in an effort to loot the town killed four people in the streets. Later five of the bandits were captured, and on March 28, 1884, hung in the jail at Tombstone by Sheriff J. L. Ward. Still later than this the ring leader, a man who had played double—who had been with the bandits and helped them in their crime and afterwards helped hunt them down, was discovered in his double role, convicted of manslaughter and sentenced to life in prison. An angry mob taking him from the Tombstone jail and hanging him to a telegraph pole before he was landed in the penitentiary. Thirty years ago today was a bloody day in Bisbee.

## ATTEMPT SUICIDE— SAVED BY CALLERS

Unfortunate Girl Disconnects Gas—Is Found Unconscious on Floor

When friends knocked at the door of Jean Williams, a resident of the district on Upper Brewery Gulch Sunday morning about 1 o'clock, they detected a strong odor of gas. Breaking down the door, they found the girl lying on the floor in an unconscious condition, a gas hose disconnected and the room full of gas. Medical aid was immediately summoned and after two hours she regained consciousness.

She admitted attempting suicide, but will ascribe no cause. It was reported last night that she was out of danger.

Miss Edith Stiles, of Douglas, who is visiting Miss Mamie Howe, will return home this afternoon.

## DEFENSE FIRM IN NEUTRALITY CASES

Efforts of Prosecution to Use Contested Evidence is Combated

PHOENIX, Ariz., Dec. 8.—Evidence showing that between January 1st and the end of last May the Douglas Hardware company bought, through the Shelton-Payne company and Krakauer, Zerk & Moye, El Paso, one million rounds of Mauser ammunition was introduced this morning in the federal court, where the neutrality cases still drag on. One single shipment of half a million rounds was ordered through the Shelton-Payne company, from the Winchester company and other shipments were sent direct from the Remington factory. Important witnesses this morning were H. J. Hulse, shipping manager of the Winchester company, of New Haven, Conn.; J. M. Gaines, treasurer of the Remington company; W. H. de Washington, secretary of the Douglas Hardware company; W. W. Windham, of Douglas; W. C. Irby, Harvey Johnson and Mike Sorrensen, expressmen. Robert Krakauer was also on the stand. The constant effort of the prosecution is to show that the defendants knew the use to which the ammunition sold to Ramon de Negri was to be put, the defense fighting the introduction of every scrap of evidence.

## Local-Personal

### Returns To Phoenix

Corporation Commissioner Paul Geary returned to Phoenix last night after spending several days here on business.

### To Tombstone

County Attorney W. G. Gilmore returned to Tombstone yesterday morning, having been here on business connected with his office and to attend the Elks Memorial.

### On Hunting Trip

R. F. Sanborn, Dan Twomey and J. H. Cunningham left yesterday for a two week's hunting trip in the White Mountains.

### Gilas to Smithsonian

John Twomey yesterday received word from the Smithsonian Institute announcing the arrival of a pair of Gilas monsters forwarded by him. One of the reptiles measured 21 inches and is held to be the largest ever captured in the state. The other measured 18 inches. Both came from the San Pedro valley.

## BEST LAXATIVE FOR BOWELS—"CASCARETS"

When constipated, headachy, bilious, breath bad, stomach sour

Get a 10-cent box.

Are you keeping your bowels, liver, and stomach clean, pure and fresh with Cascarets, or merely forcing a passage with very few days with Salts, Cathartic Pills, Castor Oil or Purgative Waters?

Since having a bowel wash-day, let Cascarets thoroughly cleanse and regulate the stomach, bowels, liver and fermenting food and foul gases, take the excess bile from the liver and carry out of the system all the constipated waste matter and poisons in the bowels.

A Cascaret tonight will make you feel great by morning. They work while you sleep—never gripe, sicken or cause any inconvenience, and cost only 10 cents a box from your druggist. Millions of men and women take a Cascaret now and then and never have Headache, Biliousness, Coated Tongue, Indigestion, Sour Stomach or Constipated Bowels. Cascarets belong in every household. Children just love to take them.—Ad.

### Funeral is Held

The funeral of Elder J. W. Morgan was held Sunday from the Palace chapel, Elder Manning officiating. Interment took place in Evergreen cemetery. A large number attended the services.

### On Sick List

L. J. Savage, baggage agent for the Southwestern, has been on the sick list for the past ten days. He was able to be out on the streets yesterday and will probably resume his duties tomorrow.

### From Cananea

C. O. Brown, who is connected with Greene Cannans at Cananea, spent Sunday here, returning to his home yesterday. Mr. Brown said he was very much pleased to note the great strides Bisbee is making in general progress.

### Promotion for Hamilton

H. T. Hamilton, head of the timekeepers division of the Copper Queen, left yesterday for New York, where he will spend Christmas with relatives. Returning about the first of Mr. Hamilton. It is reported, will probably go to Nacozari to accept of a promotion in the Phelps-Dodge service, having been assigned to the position of assistant superintendent with the Moctezuma Copper Co.

### To Albuquerque

Mrs. R. Green, who has been visiting her daughter Mrs. Weller, left Sunday for her home in Albuquerque. Mrs. Green stopped off here on her way home from Los Angeles, about two months ago. She was delighted with her stay in Bisbee.

### Celebrated Payday

Payday was well celebrated, according to the records of Judge High's court, which carried 28 cases of disorderly and other minor law breaking offenses yesterday. Most of them paid their fines and others were given a few hours to get out and raise the amount of their fines, some of them forgetting to return. Migrating boobies were largely in evidence in the group.

### Law Protects Pines

There is a state law against cutting young pine trees of the National Forests. Report has it that already people are cutting them for Xmas trees. Several have complained to the officers about the matter. They say that prosecutions will follow for those caught in the act of devastating the small pine groves.

### Carnival Leaves

DeKreke Bros. Carnival, which was here for two weeks under the auspices of the Eagles, spent yesterday in loading and left last night for El Paso, where they will show under the auspices of the Ladies Sunshine Society. The carnival was a first class one and the Order of Eagles deserve credit for their part in its conduct on the Lowell grounds. The cold and storming weather which prevailed during most of the time the carnival was here prevented the attendance that would otherwise have been.

### Bowling Practice Tonight

The first and second Y. M. C. A. Bowling Teams will hold practice tonight at 7 o'clock. It is desired that all members of both teams be present. The contest for the evening will consist of three games between the two teams. Both teams are practicing hard, and are sure of winning the cup back from Douglas this year.

### Concert for Y. W. C. A.

On Thursday evening of this week a concert and social will be the feature of the Young Women's Christian association combining a splendid musical program and a good time. The program will be given in the Presbyterian church and is complimentary to the new members of the month. An admission will be charged the general public. Following the musical

## WARM GREETING STATE AUDITOR

Callaghan Finds His Numerous Old Time Friends in District Glad to See Him About—Goes to Ft. Grant

J. C. Callaghan, State Auditor, came home Sunday from Phoenix to attend the Elks Memorial service, and to spend a day or two among his many friends in the district.

Probably this evening he will leave for Fort Grant, where he will make an inspection of the property and the conduct of the Industrial school in his official capacity as a member of the State Board of Control. From Fort Grant he will return to Phoenix.

Asked yesterday concerning things political at the capital and over the state, as he might have come in touch with them, the man who has stood out for recognition of the rights of his office and refused at all times to do bidding that failed to appear to him as rightly and honestly directed, declared that he had been pretty busy in his office and had heard but little.

"It is rather early to expect to hear much of value," said Callaghan. "The political pot is simmering some, but it is mainly the froth that is coming to the top. That will be dipped off after a while and there will be a chance to see what is really underneath, but as yet the real thing is probably not in sight."

Auditor Callaghan belongs to the fighting division. During his incumbency no small part of the fame he has won has come from his refusal to in any wise bend the knee to the wishes of the chief executive of the state, where the Callaghan idea happened to be that the Hunt idea failed to measure up to the exact requirements of the law and of the square deal. All day yesterday he was busy shaking hands on the streets with the many people who came up and greeted him with the familiar old call of his former Bisbee days. Wherever he went it was "Hello Cal," with plenty of warmth always behind the greeting.

cal everyone is invited to adjourn to the Y. W. C. A. for refreshments and a social hour. The program will be as follows: Organ Solo, Mr. F. R. Reynolds; Vocal Solo, Miss Marguerite Watson; Piano Solo, Mrs. W. T. Davy; Reading, Mrs. T. E. Harmon; Violin Solo, Miss Coral Muirhead; Piano Solo, Mr. H. Griddle; Chorus, High School Glee Club; Mandolin Club.

### On Pleasure Trip

Mrs. Charlie Mahan left yesterday for a month's pleasure trip to Los Angeles and different points on the coast.

**IT is not the price you pay that makes a cigarette good, but what is in the cigarette. OMAR is the most pleasing Turkish Blend cigarette that can be made at any price.**

Turkish Tobacco costs all the way from 10c to \$2.50 a pound. A cigarette made of this 10c tobacco would be intensely STRONG, bitter, unpleasant. A cigarette made entirely of \$2.50 tobacco would be ALL AROMA—tasteless, insipid, without "body."

HIGHEST PRICED Turkish leaf must be blended with O. VARIETIES of Turkish Tobacco to get FLAVOR, "BODY" and SUFFICIENT "SNAP" in the cigarette.

In selecting the Turkish tobaccos for OMAR we DISREGARDED PRICE—our expert leaf-buyers went to the different districts in Turkey and selected the MOST SUITABLE tobaccos for the blend.

The selected Turkish leaf was then blended with domestic tobaccos also chosen for

their FITNESS. And the result is a Turkish Blend that for SMOOTHNESS and MILDNESS could not be improved upon if the price were DOUBLED.

OMAR has the attractive "SNAP", LIFE, and CHARACTER of the Turkish Blend—without the common defect of "blend-roughness." OMAR can be smoked ALL DAY LONG with complete enjoyment.

All the KNOWLEDGE, EXPERIENCE and SKILL we have gained in the manufacture of BILLIONS of cigarettes for 25 YEARS have been CONCENTRATED in the production of this PERFECT Turkish Blend cigarette.

It takes the MOST COMPLETE TOBACCO ORGANIZATION in the world TO MAKE a cigarette like OMAR.

## Head-Work Wins

But mental activity is dependent for its success-making results, upon the way both body and brain cells are fed.

Right feeding isn't a matter of quantity—most persons actually eat too much. But the selection of the right kind of food helps wonderfully to make men and women active and successful.

The fact is, some every-day articles of food are so lacking in certain food values as to make their common use more or less a menace to physical and mental well-being. (Constipation and a run-down physical condition are readily traced to this lack.)

Particularly is this true of food made from white flour, which is robbed of most of the mineral phosphates of the grain when the bran-coat is thrown out in the milling process. Scientists have long recognized this menace to health, and many people are waking up to it.

## Grape-Nuts

FOOD

made from the whole wheat and malted barley, retains the mineral phosphates, as well as all other nutritive values of the grains. Grape-Nuts, as the cereal part of one's diet, perfectly supplies what white flour foods lack.

Grape-Nuts is long baked, most easily digested, and is ready-to-eat direct from the package—fresh, crisp and delicious.
